

NERWIN C. ALAMAS

Cainta, Rizal, 1900

09663609104

nerwinalamas@gmail.com

Portfolio: nerwinalamas.pages.dev

SKILLS

HTML, CSS, JavaScript, PHP, CodeIgniter, Bootstrap, TailwindCSS, Responsive Web Design, React, Node.js, Express, MongoDB, MySQL, SQL, Entity Relationship Diagram (ERD), jQuery, Socket.io, Docker, TypeScript, Postman, Git, GitHub, Next.js, Zustand, Redux, Shadcn/ui, Mocha, Chai, React Testing Library, Figma, Supabase, Clerk, Firebase, React native, Expo, Nativewind

WORK EXPERIENCE

Frontend Developer Intern - [Codeability](#) (Nov 20, 2023 - present)

- Proactively identify, report, and resolve software bugs to ensure smooth and efficient application performance.
- Diagnose and fix code errors to maintain the reliability and functionality of software applications.
- Design and implement user interfaces based on Figma designs, ensuring a seamless and intuitive user experience.
- Work closely with other developers, participating in code reviews and joint problem-solving sessions to deliver high-quality software solutions.

Technologies: Next.js, TailwindCSS, Zustand, TypeScript, Shadcn/ui, Zod, Tanstack Query, etc.

TRAINING

Village 88 Online Coding Training (January 8, 2024 – April 29, 2024) - [Certificates](#)

Achievements: Successfully completed 298 assignments and passed the course exams offered by Village 88 in Web Fundamentals, PHP, JavaScript, Frontend Development Track, and Individual Dev Capstone

PROJECTS

- [Instagram](#) – I reinvented Instagram according to my own design, crafting a social media website built with React, Node.js, Express, Socket.io, MongoDB, TailwindCSS, DaisyUI, WebRTC, and Redux.
- [Video Search](#) – I replicated the YouTube home page. You can search and comment on specific videos, and it is also responsive. I built this using React, Axios, TailwindCSS, and YouTube API.
- For more projects kindly visit my github account. - <https://github.com/nerwinalamas>

EDUCATIONAL BACKGROUND

Bachelor of Science in Computer Engineering (BSCOE) - ICCT Colleges Foundation Inc.

Achievements: Outstanding Engineering Awardee, Leaderships Awardee and Academic Distinction Awardee

Computer Technician (COMTECH) - Trent Information First Technical Career Institute.

Achievements: Academic Excellence Award, and Proficient in Computer Hardware Servicing
